

Department of Computer Science

Academic Program:

- i. Master in Computer Science (MCS)
- ii. BS (Computer Science)

Enrollment

See relevant Chart at the end

Prerequisites

BA/B.Sc. for MCS and FA/F.Sc. or equivalent

The detail of programs offered by the department is given below.

Faculty of the Department

The faculty of the Department consists of foreign qualified professional and experienced teachers. The Department also has qualified faculty, consisting of senior teachers of other universities/ colleges as well as experienced executives from business and industry. All the teachers are highly committed and motivated.

Campus Director

Dr. Muhammad Baber

Faculty Members

Lecturers

Mr. Shafiq Hussain
Lecturer
BZU Sub-Campus
Sahiwal

M.Sc. Computer Science BZU Multan
PhD (Thesis Submitted)
University of Sunderland, UK

Introduction

Keeping in view the importance of computer science for country, the Department of Computer Science was established at BZU Sub-Campus Sahiwal in 2014. Currently department is offering MCS Program in morning and evening sessions. The students in Department of Computer Science have unlimited access to the computers & the professional software tools.

Computer Lab

The Department has modern computer lab equipped with latest computing technology. The department of Computer Science has two computer labs equipped with state of the art technology. All the computers in the sub campus are connected through a networking system and provide services such as HEC digital Library etc.

The students and staff have access to Internet facilities during working hours.

Master of Computer Science (MCS)

Introduction

The program has been designed for the preparation of Computer Science experts to serve in academia and industry. The purpose is to sharpen the analytical and research skills of students in the field of computer science and make them able to work in national and international organizations. The students will learn latest techniques and skills in this field. Our MCS and BS programs are all about these skills and techniques.

Eligibility MCS

B.A./B.Sc. in any of the following: Math, Physics, Computer Science, Commerce, Statistics, Economics with 45% aggregate marks. Computation of Merit: Merit will be determined on the basis of 30 percent weightage to be given to NTS based Entry Test Marks and 70 percent weightage to marks obtained in B.A./B.Sc. or equivalent including 20 marks for Hafiz-e-Quran and 5 marks each for Computer-A / Computer-B /Computer-G subjects studied at Bachelor level.

Eligibility B.S.(CS)

F.A./F.Sc. in any of the following: Math, Physics, Computer Science, Commerce, Statistics, Economics with 45% aggregate marks. Computation of Merit: Merit will be determined on the basis of 30 percent weightage to be given to NTS based Entry Test Marks and 70 percent weightage to marks obtained in F.A./F.Sc. or equivalent including 20 marks for Hafiz-e-Quran and 5 marks each for Computer-A / Computer-B /Computer-G subjects studied at Intermediate level.

Breakup of Seats

See the relevant chart at the end.

Scheme of Studies as in the Institute of Computing, Computer Science Division (Main Campus)
